Report of Principal and School Improvement Council

Mullins High School continues to set high expectations for all students in a population in which 75 percent of the students receive free and reduced lunch. As the unemployment rate in our county is number one in the state and we continue to lose funds, Mullins High School aspires to provide our students with a quality education. As set forth in our school renewal plan, we continue to move ideas and strategies into actions.

Writing skills, vocabulary development, HSAP, ACT and SAT practice are integral parts of our daily routine. Individual Graduation Plans are done as a method to guide students during their high school career. Homework Center and after school HSAP remediation are also provided in order to supply students with extra assistance after regular school hours. Due to budget cuts, this was discontinued after first semester.

Standards-driven instruction and differentiation supports students in thinking and learning, but also motivates them and offers an emotionally sound context. Mullins High School operates on the premise that instruction should not only support the acquisition of basic knowledge, but also stimulate higher-order thinking which launches problem solving.

Community involvement through clubs and organizations help to educate the whole child. Students are involved in such activities as food drives, blood drives, Adopt-A-Highway, the March of Dimes, Relay for Life, and the Manna House. Clubs and organizations include the math team, acadmemic challenge, Beta Club, Entrepreneurship Team, FBLA, Fine Arts Homor Society, Robotics Team, Spanish Honor Society, and Student Council. Our Honor Roll students receive recognitions each nine weeks. In athletics, our students continue to be able to compete with the best that South Carolina has to offer.

Character Education is an important part of being a lifelong learner. Perfect attendance, Student of the Month awards, and citizenship awards are given to promote the art of doing right when no one is looking.

Here at Mullins High School, we are very proud of our tradition of working for academic excellence. We will continue to maintain these efforts as we strive to raise the bar so that every student will have the opportunity to reach his or her greatest potential.
